(Subject to approval, see TERMS AND CONDITIONS OF THE BILL PAYMENT SERVICE)

**Electronic Statement and Account Disclosure Consent:**

Regulations require that you **contact us electronically** to reasonably demonstrate that you have sufficient equipment and internet access to receive your Electronic Statement and other disclosures that are to be provided electronically; this is separate from the consent and must be done electronically from your equipment. This is achieved by completing the eStatement request from our website. You have the right to withdraw the consent at any time. You also have the right or option to have records provided or made available on paper or in non-electronic form. If you wish to cancel any of your Electronic Banking services, contact us directly using the Contact Us information below. Also use these means to provide information needed to update your contact information or to request a paper copy of any of your records. Paper statement, copies of checks, duplicate statements, and interim statement fees apply. Please refer to our current Bank Fees Schedule for applicable fees, or contact us directly for this information. All of our forms are available as .PDF files unless otherwise noted. To access a .PDF form, free Adobe Acrobat Reader software must be installed. After you have installed the software, simply click on a form title to open it. Please note any instruction pages provided and print instructions and forms when applicable.

We reserve the right to change the fees, charges or other terms outlined in this agreement. We will notify you 30 days prior to implementation of changes, either by written notice or electronically per your consent. We also reserve the right to update this agreement at any time that we deem necessary. You may choose to accept or decline changes by continuing or discontinuing the service to which the changes relate. Changes to fees applicable to specific accounts are governed by the applicable account disclosure.

**Hours of Accessibility:**

You may access Electronic Banking at The Peoples Bank seven days a week, twenty-four hours a day. Necessary system maintenance will be scheduled for hours in which system traffic is normally at a minimum. If the system is unavailable due to an unanticipated problem, you may use the automated telephone voice response system (TELEBANK), one of our ATM machines or a branch office to conduct your transactions.

**Customer Rights and Responsibilities:**

In addition to this agreement you agree to be bound by and comply with the account agreement and account disclosure, the rules and regulations of the electronic transfer system, and the state and federal laws and regulations including the Regulation E disclosure that you received when you opened your account. You, the customer, are responsible for keeping your Access ID, Password and account data confidential. We are entitled to act on transaction instructions received using your Access ID and Password. You agree that the use of your Access ID and Password will have the same effect as your signature, authorizing the transactions. You must notify us immediately if you suspect that another person has improperly obtained use of your Electronic Access ID and/or password. You must also notify us if someone has transferred or may transfer money from your bank account without your permission, or if you suspect any fraudulent activity related to your account. You should only reveal your account number to legitimate entities for purposes you authorize.

**Stop Pays:**

Stop pays will be processed the same day as long as they are received before 4:00 p.m. EST.

**WE WILL NOT BE LIABLE:**

If you, or anyone you allow, supply any incorrect or incomplete information that affects said transaction. The bank uses a computer system to check for stop payments. If you do not give the bank the exact amount of the check and the exact check number, the bank will not identify the proper check and the check will not be stopped. We will not be liable if circumstances beyond our control (such as fire, flood, or improper transmission) keep us from receiving the stop payment order, despite reasonable precautions taken by us, or if any electronic terminal, telecommunications device, or any part of the electronic system is not working properly. **Stop payments on ACH/EFT items cannot be placed electronically.** To release a Stop Payment that was placed electronically, you must sign a release form at one of our offices. Please contact your local branch office for further information on these matters.

**Stop Payment Agreement:**

You agree that unless your stop payment order is received by the bank within a reasonable time for the bank to act on your order prior to final payment of the check, the bank will not be responsible for stopping payment. You agree that you may not stop payment on any type of ACH/EFT transfers including Point of Sales and Pre-authorized ACH transactions, any Cashiers Check, certified check or other financial institution check you have purchased from the bank, or any check of which the bank has guaranteed. You understand that your stop payment request is conditional and subject to the bank's verification that the check has not already been paid or that some other action to pay the check has not been taken by the bank. A stop payment order against a check is effective only against the check that is described in the Electronic stop payment order. The written stop payment order is effective for six (6) months only and will expire automatically at that time unless you have specifically renewed it prior to expiration.

**Indemnification:**

You agree to indemnify, defend and hold the bank harmless against all costs, including attorneys fees, actions, damages or claims related to or arising from the bank's action in refusing payment of the check, including claims of any joint depositor, payee or endorsee or in failing to stop payment of a check, as a result of incorrect information provided by you. You agree to notify the bank promptly upon the issuance of any duplicate check, which replaces the check subject to this order or upon return of the original check.
